The South West Ringing Course is an initiative of the CCCBR

THE CENTRAL COUNCIL OF CHURCH BELL RINGERS

Golden Rules

- Don't rush
- Always hold the hand rail
- Take care on slippery or wet surfaces
- Stay home if you feel unwell
- Drink responsibly in permitted areas only
- Be kind and courteous to each other - any form of negative behaviour or abuse will not be tolerated and you may be removed from the course immediately
- No illegal substances
- No smoking or vaping on the Millfield Campus
- Never leave electrical equipment unattended while in use
- Switch off any electrical equipment if it overheats

Please note Butleigh House in now known as Walton

A message from the CCCBR President

It's the second year of the South West Ringing Course, and it is even bigger! If this is your first time attending this, welcome and you are in for a treat. If you have come back for another year, that's fantastic and I hope you enjoy it.

I'm sorry not to be with you in person. Family commitments mean I can't attend this year, and I'll certainly be thinking of you all over the weekend. I know first hand the enthusiasm and dedication of the organising committee and all the dedicated helpers from all over the country, so I also know that it will be a great success. It might be exhausting, but also exhilarating.

My sincere thanks go to the organisers, tutors, and hosts for all the hard work that goes into making an event like this happen. I hope you acquire new skills, new friends, and plenty of ideas to take home and share with your bands.

Have a fantastic course, and I look forward to hearing all about it afterwards.

Tina Stoecklin
President, Central Council of Church Bell Ringers

Joint Chairs Welcome

We are delighted to welcome you to the South West Ringing Course 2026, now in its second year and continuing to grow as a collaborative learning event for ringers across the region and beyond. Building on the success of last year's inaugural course, we have shaped this year's programme to support developing ringers while keeping the friendly, encouraging atmosphere that made 2025 so memorable.

Throughout the weekend you'll work with a strong organising team and an excellent pool of tutors and helpers, all bringing wide experience and a shared commitment to helping you progress. Whether you are exploring Devon Call Changes, strengthening your method-ringing foundations, or moving into more advanced work, each group has been designed to give you clear learning pathways and plenty of practical ringing time.

This year also introduces new teaching groups, widening the opportunities available and allowing us to support an even broader range of ringing development. We are pleased to welcome those returning from last year, all the new faces joining us for the first time, and those attending specifically for these newly added groups.

Thank you for being part of the continued growth of this course. We hope you enjoy the ringing, the learning, and the camaraderie that comes from working together across towers, groups, and experience levels.

Hayley Young & Phil Dunn

Meet the committee!
